THE SOUL OF KERALA

TO REACH A STATE OF BLISS,
ARRIVE ON A BOAT.

THE 150-YEAR-OLD TIME MACHINE.

UNIQUE PADDY HUT DINING.

A woman with grey hair, wearing a black and white saree with a red floral border, is rowing a small wooden boat on a narrow canal. The boat is filled with a large, multi-tiered metal pot (likely a traditional Indian 'kudam') and several smaller metal containers. She is smiling and looking towards the left. The canal is surrounded by lush green trees and foliage, with a building visible in the background. The scene is captured in warm, golden light, suggesting late afternoon or early morning.

Inside the boat, a man is seated at the front, and a woman and a man are standing towards the back. The boat is surrounded by lush tropical vegetation, including palm trees and banana plants. The scene is captured in warm, golden light, suggesting late afternoon or early morning. The water reflects the boat and the surrounding greenery.
