A NEW DIMENSION OF HOSPITALITY

STEIGENBERGER HOTELS AND RESORTS

At more than 60 fascinating locations worldwide, Steigenberger Hotels and Resorts represent an immense diversity in business and holiday destinations. From historic, traditional hotels to modern city residences and wellness oases in the heart of stunning landscapes – guests can feel the distinctive Steigenberger character wherever they go. Hospitality all along the line.

MAXX BY STEIGENBERGER

MAXX by Steigenberger is new, charismatic and focuses on the essentials. The unnecessary is omitted and the basics done properly – the Steigenberger breakfast, the MAXX Fitness Point and the MAXX Coffee Ritual. In a sympathetic and welcoming atmosphere, MAXX impresses guests in all destinations, local tips included. A fresh, friendly hotel brand by Deutsche Hospitality – that's MAXX!

JAZ IN THE CITY

Jaz in the City is young, urban and very close to the buzz of life. Design, performance and pleasure merge into a composition in which the unique character of each metropolis resonates. With it comes a music programme: live every day on the Jaz Radio, at the turntables or on stage. Sometimes it's loud, sometimes it's quiet, but it always reflects the beat of the city. Visit us in Amsterdam, Stuttgart and as of 2020 also in Vienna.

INTERCITYHOTEL

Arrive, relax, and enjoy great transport links: More than 40 modern city hotels guarantee comfort in the mid-range segment – right in the heart of the most beautiful cities in Germany and other international destinations. Our IntercityHotels are located within walking distance of train stations or airports. As a special bonus, with the FreeCityTicket our guests can use public transport for free – mobility at its best.
