AIRBUS A321NEO

Since June 2019, La Compagnie is operating brand new **Airbus A321neo** planes for **more comfort, innovation** and **fuel efficiency**. La Compagnie is the **first airline in France** to operate this new generation of aircraft that consumes **30% less fuel than our previous planes**.

ON BOARD EXPERIENCE

100% unique business class cabin

- Our cabins are unique and spacious, configured with just 76 full flat seats & arranged in 19 rows of 2x2 seats.
- Passengers enjoy personalized service, additional extra space and the warm LED lighting atmosphere.
- All seats recline to perfectly horizontal beds for maximum rest during the journey.
- Seats have total length of 6.3 ft in bed position. Each is equipped with a reading lamp, compartments for personal items, an electrical outlet, headphone jack, and a pouch for documents.
- Provided onboard are anti-allergenic pillows, large soft covers, and a travel care amenity kit with Caudalie hydrating products included.

IN-FLIGHT ENTERTAINMENT

- Each passenger has a 15.6-inch seat mounted screen display at their disposal. It comes complete with a wide selection of movies and expertly curated music. Noise-cancelling headsets are also available for total comfort.
- All passengers have access to free, unlimited high-speed Wi-Fi during their flight from their personal devices.

FRENCH GASTRONOMY WITH CHAMPAGNE & WINE CELLAR ONBOARD

- Renowned chef Christophe Langrée ensure passengers enjoy seasonal French gastronomy onboard.
- Menus are refreshed every month and chefs from all of our destinations are invited by chef Christophe Langrée to contribute signature dishes to our menus throughout the year.
- From our house champagne to our wines, you will find selections that have been made with great care and our chefs hand in hand with Bettane x Desseauve.
- Every bottle has been specifically chosen to accompany each meal and enable passengers to discover new organic wines.

- Customers can earn points for each flight according to the fare booked.
- After the flight is completed, points are automatically credited.
- Customers can invite friends to join and earn further points.
- Points earned allow customers to avoid paying penalty fees for changing tickets, depending on the chosen dates of flight.
- Simple and transparent, La Compagnie loyalty program was conceived to be easy.
