

ALL-BUSINESS CLASS

Direct transatlantic flights in an exclusive all-Business Class cabin.

As an independent French airline, La Compagnie pioneered the 100% Business Class concept. Since 2014, it has been connecting Europe and New York with direct flights from Paris, Nice, and Milan, exclusively operated by its **Airbus A321neo fleet**.

Designed to deliver an exceptional travel experience, the **Airbus A321neo combines the latest-generation technology with La Compagnie's signature all-Business Class cabin**, featuring only fully lie-flat seats, complimentary high-speed Wi-Fi, and premium service on board.

Driven by a commitment to comfort and passenger satisfaction, La Compagnie continues to expand its fleet and network, with **Düsseldorf joining its European destinations in 2027**.

Make travel effortless, so every journey is stress-free

With just **76 passengers per flight**, La Compagnie offers an intimate and seamless Business Class experience, combining comfort, simplicity and efficiency. A new way to travel long-haul, designed to make every journey **unhurried and refined**.

Intimate, effortless, peaceful travel from start to finish

Airports chosen for ease and proximity.

Centrally located airports ensure quicker access, preserving travelers' time and energy (Newark, Orly, Nice...).

Fast boarding, less time wasted

The cabin's intimate format speeds up boarding (and disembarkation), streamlining the entire airport journey right up to settling in onboard.

All-inclusive services

All-inclusive service with no extra charges, on the ground and in-flight: unlimited champagne, high-speed Wi-Fi, seat selection, and lounge access.
